

## INVESTMENT FORUM AGENDA FOR WEDNESDAY, JANUARY 25, 2017 11:50AM,

### Lord of Life Lutheran Church, Fellowship Hall

***Market Perspective.*** Markets pulled back again last week, with the DOW down 0.3% and the S&P down 0.2%, and the NASDAQ down 0.3%. Markets are still waiting for signals on economic policies and priorities from the new administration and Congress.

***Buys and Sells.*** Not surprisingly, we had a long list of Buys and Sells (below) reflecting year-end tax-loss harvesting and reallocations. We will talk about the stocks and investments on the list. You are invited to comment on your reasons for buying or selling, and we will pull up some of the investments on the screen.

### **Upcoming**

***Panel on 2016 Hits and Misses.*** James Dann will lead a fun panel, where each panelist discusses his or her three best investment decisions in 2016, and three which did not work out so well, which could include missed opportunities. Let me know if you are willing to serve on the panel. The panel will talk on February 1, unless a better time is agreed to.

***Panel on When to Sell.*** Most investors have more difficulty deciding when to sell stocks, than when to buy. I would like to have a four person panel, who will discuss what criteria you use to sell stocks. Please let me know if you are interested in serving as a panelist. The Panel will be on February 15, or a later date depending on panelist's availability. Ludwig Benner will moderate the panel.

***Forum Moderator Needed.*** We need a Forum Moderator for February 8 (Winter Term, 11:50AM, Lord of Life.) Is there a topic or investment that you want to discuss? This is your chance. I will help with agenda preparation and distribution.

Brenda Bloch-Young will be Moderator for the March 15, 2017 Forum.
