

OLLI AV Support Committee
 Wireless Microphone Replacement Project
 2018 / 2019 – Prompted by TV Channel Repack

Preliminary Frequency Settings for ATW-3141aC – C Band Wireless Systems
 (Systems previously installed in OLLI locations in 2010, '12 and '15)
 (Some Relocated in 2019, to keep like systems together)
 Frequencies Recommended by Audio Technica Support Staff
